

The Winter League

Brand new! The committee have come up with an idea to help our members keep going over winter with something competitive and a bit of fun, plus to reward those that attend training, be it Meon's own training or clinics run by an independent instructor. If you are wanting some motivation this winter, please read on!

Members can collect points to record in the score sheet below from a variety of disciplines (SJ, Showing, Dressage for example) or attend clinics and training days, fun rides, or hunting. All these activities collect points!

Winter League runs 1st December 2025 to 31st March 2026

Riders must get their form signed by the coach/entries secretary/organiser at their event and scan/send or return to Sara Grain (saragrain@icloud.com) before April 7th 2026. The disciplines can be those put on by any club/group/instructor from outside BRC, they do not have to be Meon Riding Club events/training. Any training must be part of a class/group not as an individual. Each rider/horse combination can submit up to 20 events to count. A rider that rides more than one horse can enter subsequent combination on separate forms.

There will be rosettes awarded 1st to 6th place for the top individuals as well as an individual first prize of a £25 MRL voucher to be redeemed against any Meon RC clinic.

All individuals will be checked for having current membership

Multiple classes on one day are permitted and "placing points" for each class can added to the "taking part" element of the score.

Note that only 20 events will count so tick in box the ones to count if over 20

You can include virtual competitions providing there is proof of entry/place.

Individual lessons/Arena hires/ Private training are not counted.
